

well.ness

the state of being in good health,
especially as an actively pursued goal.

www.namiqn.org

Are you looking for ideas to engage your
employees while working from home?

We have the answer!

NAMI Queens/Nassau is holding a wellness
challenge through walkertracker.com.

You will be able to engage your team, donate to
a terrific cause and pursue a wellness goal.

All from your own home.

You will not be disappointed!
